Re: Tentative Approval
Delta Mine
ACT/015/020

Dear Mr. Mecham:

The Division of Oil, Gas, and Mining has reviewed the Mining and Reclamation Plan for the Delta Mine, Section 26, Township 26 South, Range 9 East, SLBM, Emery County, Utah, and hereby grants tentative approval for the uranium strip mine. Before underground operations commence an ammendment and map for the underground operations must be submitted and be approved.

A condensed version of the plan will be published one time only in local newspapers and a Salt Lake City, Utah paper of general circulation for the purpose of public notice. If no objections of substance are received by the Division after a thirty (30) day period, final approval will be issued for the operation upon receipt of the reclamation surety and contract.

If you have any questions please feel free to call.

Sincerely,

RONALD W. DANIELS
